safeguard the
future

The organisation of the kihZ Foundation

Childcare within the Zurich higher education area

Founded in 2002

by the University of Zurich and ETH Zurich

The foundation's objective

To make it easier for people to combine their family, studies and work and/or academic career by organising supplementary childcare.

Services offered by the kihz Foundation and the association of university-affiliated nurseries

Nurseries: Seven nurseries run by the kihz Foundation
Kikri ETH Zentrum campus (subsidised by ETH)
Irchelkrippe (subsidised by ETH)
Kiwi Kita (PSI)
KiPa (Empa, eawag)

kihz holiday childcare: 16 weeks (age groups 4-7 and 7-10)

kihz mobil: childcare at events

kihz Flex: flexible childcare (short-term, irregular),
bookable online

Advice and information

University membership/work-life balance

- ETHZ or UZH members have **priority when places are allocated**
- Proof of the compatibility of family, studies and career, i.e. the need for a childcare place must exist and be verifiable
- Examples of proof: certificate of study, proof of employment, confirmation of registration with a regional job centre, official certificate of self-employment, medical certificate
- Language courses are not recognised as proof of the need for a childcare place
